My smart house buffalo ny reviews

Make the outdoors fun again and create your custom backyard today. Going solar has never been easier with My-Smart House. Enjoy your pool again and book My-Smart House to work for you. Go green by going green and allowing artificial grass to bring your yard to life. Bring your home to the 21st century with our smart, smart home design. Buyer's guide to off-grid solar systems for all purposes: RVs & camping, cabins & warehouses and homes of all kinds. Congress has extended the solar tax credit by 26% as part of their relief package. Decide which is the best roofing material for your home with our comprehensive guide. What saves you more money, net metering or solar panels? It depends on the net metering option that your state offers. Find out what will save you the most. Should you choose sonnenCore batteries on the Tesla Powerwall? We look at everything you need to know about sonnenCore batteries, including costs, specifications, and whether it's worth it. 11/12/18Gentleman came to my door & was very nice & professional. He told me about the service he was selling! Scheduled track! excited to work with this company. more10/26/19H they harass you relentlessly. There's nothing that makes me want to learn less about the service of a then rude pushy sales person. Tips... when you appear to someone's house and ... more09/14/19Where do I begin.. broken promises.. can't find any sales staff that lasts more than 4 months. Owners take care of alright veterans.. Not.. Their estimates for the costs ... can also be a dream sheet more04/16/18Came to my house trying to sell a service. Accepted and scheduled an appt. Was told someone would call me the day before to talk before they went out. No one called and no one came... more10/05/18Justin Bailey from My Smart Home came to install my smart thermo regulator today. He is extremely helpful, polite, professional, and fast. Thank you for helping our house become more energy efficient! More 4.5 not 5T I want to say thank you for the great service I received from my Smart Home. Everything was done very quickly and safely. Any questions I had they were explained and guided me through it.
